Companions,
as out new Masonic year starts, I hope it finds everyone in good health. I am inviting Companions who have not come to our meeting in a while and break bread with us. At our next meeting I would like to discuss with the members present, a charitable endeavor we can call our own. I would like to entertain ideas and discuss them. A few years back Illustrious Jeffrey Righter had a food pantry event, that maybe we should revive, I remember working with companions and their wives while we boxed up the food. I was lots of fun and made me feel good. So please show up at the next meetings to discuss ideas like those.

Lastly, we have 6 new members that are in the process of being initiated, and expect to start our ritual work January of 2020. Thank You

Ill. Vincenzo Catrambone
Illustrious Master Milford Council.

Masonic Trivia by
Collected by Wor. Ray Dotson

“No man ever took the oaths and subscribed to the obligations with greater watchfulness and care than I exercised in receiving the various rites of Masonry, and I say with due deliberation and without fear of breaking the faith. I have never encountered a lesson, never witnessed an example, never heard an obligation uttered which could not be openly proclaimed to the world” The words of a Mason who was also a President of the United States, Warren G. Harding.
